Milwaukee County Sheriff David A. Clarke, Jr. Credits Milwaukee Journal Sentinel and Van Wycks, Inc. for Resolution in Hit and Run Crash

MILWAUKEE, WI - After the Milwaukee Journal Sentinel ran a news brief about a hit and run crash that caused damage to the Wright Street bridge over I-43, Van Wycks, Inc. claimed responsibility for the crash. The company is located in Waldo, Wisconsin. Company managers read the December 7th news brief and contacted the Milwaukee County Sheriff's Office patrol division today.

Van Wycks, Inc. officials say one of their drivers realized the boom he hauled struck a bridge but they were unaware of any damage. Damage to the bridge was estimated at \$150,000. Company cooperation and assumption of responsibility will be favorably considered when the case is reviewed for potential criminal charges and citations.
